Note ; This cemetery is over in the fields and can be seen
from the road as one drives north from Stamford, Conn.
to Stanwich, Conn. ; it is not now used and will prob-
ably soon disappear as so many others have ; it is in
a most wretched condition and has a large number of
rough stones ; it is on the right hand of the road
going north and is sadly neglected. The residents
say that many stones have been taken away and used
for "various un-holy purposes". There ought to be
a law to stop such practices as in most cases, these
are the only records that exist of the deaths so re-
corded.
